TRAINING COURSES/ SEMINARS HELD DURING THE YEAR

- 1. Workshop on Crime against Women & Children** was held from 06 April 2015 to 10 April 2015 with the objectives; (i) To overview and analyse the trend, magnitude and forms of crime against women and children in India and in other countries, (ii) To sensitise participants about recent legislative and administrative measures for the protection of women and children from crime, (iii) To identify avenues for better coordination amongst Criminal Justice Functionaries for fighting against crime against women and children, (iv) To suggest ways and means for prevention and control of crime against women and children in all spheres of social life, through peaceful and amicable manner, and (v) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 15 Officers of level of Police, Judiciary, Prosecution, CPO, CFSLs/ FSL. Ms. Minakshi Sinha, Reader (Sociology) directed the course.
- 2. Course on Digital Evidence** was held from 13 April 2015 to 17 April 2015 with the objectives; (i) To sensitise participants to various techniques of handling, collection and preservation of digital evidences. (ii) To acquaint participants with the procedures of packaging and forwarding of digital evidence and maintaining chain- of- custody. (iii) To make the participants aware of the legal provisions of Information Technology Act & its amendments and emerging trends of Cyber Crimes. (iv) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 33 Officers of level of Dy. SP/ ACP & Above, Prosecution Officials, SSO and above from CFSLs/FSLs, Forensic Science Teachers. Shri J K Semwal, Senior Faculty (Document) directed the course.
- 3. Course on Crime and Justice** was held from 20 April 2015 to 24 April 2015 with the objectives; (i) To make the participants understand the dynamics of crime and criminal behaviour (ii) To expose the participants to new challenges of the criminal justice system and to explore their prevention and control strategies (iii) To facilitate interaction amongst Officers from different sectors of the Criminal Justice System, with a view to

bringing about better understanding of problems and coordination (iv) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 27 Officers of level of Higher Judicial Service Officers, SP /DCP & above, Prosecution Officials, Defence Personnel, Prison /Welfare Correctional Administrators. Dr. B.N. Chattoraj, Senior Faculty (Criminology) directed the course.

- 4. Course on Investigation of Road Accidents** was held from 27 April 2015 to 28 April 2015 with the objectives; (i) To sensitise the participants about importance of trace evidence available in motor accident cases, (ii) To familiarize the participants about need for proper evaluation of injury, if any (iii) To identify various factors leading to contradictions between eyewitness accounts and opinion of Medico-legal experts (iv) To expose the participants to latest techniques available for use in motor accident investigation and trials (v) To evolve from collective experience of participants such specific suggestions and action (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 26 Officers of level of Police, Judiciary, Prosecution, CPO, CFSLs/ FSL. Dr. S R Singh, Senior Faculty (Physics) directed the course.
- 5. Course on Scientific Investigation of Crime** was held from 29 April 2015 to 01 May 2015 with the objectives; (i) To make the participants aware of related physical evidence and to discuss various points concerning crime scene examination (ii) To familiarise the participants about proper evaluation of gun-shot injuries. (iii) To identify various factors leading to contradictions between eye-witness accounts and opinions of autopsy surgeons, and to discuss how to avoid such contradictions (iv) To expose the participants to latest instrumentation techniques useful in examination of physical evidence (v) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 22 Officers of level of Higher Judicial Service Officers, Dy. SP/ACP & above, Prosecution Officials, Defence Personnel, SSO and above from CFSL/FSL, Medical Jurist. Shri P. Sharma, Sr. Scientific Assistant (Toxicology) directed the course.

- 6. Seminar on Crime Against Scheduled Castes and Scheduled Tribes** was held from 06 May 2015 to 07 May 2015 with the objectives; (i) To examine existing legislative and administrative measures for prevention and control of crime against SC/ST. (ii) To analyse difficulties and constraints in investigation and prosecution of cases relating to crime against SC/ST. (iii) To evolve by discussion ways and means for prevention and control of crime against SC/ST. (iv) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 31 Officers of level of Higher Judicial Service Officers, SP/DCP and above, Prosecution Officials, Defence Personnel and Prison/ Correctional/ Welfare Administrators. Ms. Minakshi Sinha, Reader (Sociology) directed the course.
- 7. Course on Scientific Investigation of Crime Involving Firearms** was held from 12 May 2015 to 15 May 2015 with the objectives; (i) To make the participants aware of related physical evidence and to discuss various points concerning crime scene examination (ii) To familiarise the participants about proper evaluation of gun-shot injuries. (iii) To identify various factors leading to contradictions between eye-witness accounts and opinions of autopsy surgeons, and to discuss how to avoid such contradictions (iv) To expose the participants to latest instrumentation techniques useful in examination of physical evidence (v) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 37 Officers of level of Higher Judicial Service Officers, Dy. SP/ACP & above, Prosecution Officials, Defence Personnel, SSO and above from CFSL/FSL, Medical Jurist. Dr J K Modi, Senior Faculty (Ballistics) directed the course.
- 8. Workshop on Speaker Identification and Tape Authentication** was held from 20 May 2015 to 22 May 2015 with the objectives; (i) To acquaint the participants about the importance of Audio-video evidence (ii) To make the participants aware of various recording media and recording of samples. (iii) To expose the participants to various techniques and protocol for handling of Audio-Video evidence and to authenticate the recordings, using advanced techniques and tools. (iv) To expose the participants to develop and upgrade this technique in their Institutes/Labs. (v) To evolve from collective experience of participants such specific suggestions and action (for higher efficiency)

which can be implemented with minimal expenditure and without changes in laws. It was attended by 41 Officers of level of Judges/Magistrates, Dy. SP/ACP & above, Prosecution Officials, Government Medical Officers, Defence Officers and SSO & above from CFSLs/FSLs including 4 international participants. Dr. S R Singh, Senior Faculty (Physics) directed the course.

9. Course on Smart Policing was held from 25 May 2015 to 26 May 2015. It was attended by 20 Officers of level Dy. SP/ACP and above. Dr P S Bhushan, Senior Faculty (Law Enforcement) directed the course.

10. Course on Examination of Important Security Documents and Electronic Printouts was held from 27 May 2015 to 29 May 2015 with the objectives; (i) To familiarise the participants about the infrastructure available in the country for printing of Security documents (ii) To make the participants aware of various latest security features present in Indian Passports/Visa, bank notes and other security documents (iii) To familiarise the participants about diverse use and utilities of various modern office automation equipment for generating counterfeits/fake documents (iv) To make participants familiar with the techniques of detection of fake/counterfeit security documents (v) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 42 Officers of level of Judges/Magistrates, Dy. SP/ACP & above, Prosecution Officials, Government Medical Officers, Defence Officers and SSO & above from CFSLs/FSLs. Shri J K Semwal, Senior Faculty (Document) directed the course.

11. Course on Victimology and Victim Justice was held from 29 June 2015 to 30 June 2015 with the objectives; i) To understand the basic philosophy, principle and scope of Victimology ii) To identify the factors propelling victimization (iii) To know the dynamics inherent in victim-offender relationship in crime causation. (iv) To learn about the patterns of victimization (v) To assess the victim-assistance programmes of the governmental and non-governmental organizations. (vi) To discuss the participation of the victims in the Criminal Justice System. It was attended by 39 Officers of level of Judges/Magistrates, Dy. SP/ACP and above, Prosecution Officials, Defence Officer &

Prison/Correctional /Welfare. Smt. Anita Dahiya, Senior Faculty (Criminal Justice) directed the course.

12. Course on Scientific Investigation of Crime was held from 01 July April 2015 to 03 July 2015 with the objectives; (i) To make the participants aware of related physical evidence and to discuss various points concerning crime scene examination (ii) To familiarise the participants about proper evaluation of gun-shot injuries. (iii) To identify various factors leading to contradictions between eye-witness accounts and opinions of autopsy surgeons, and to discuss how to avoid such contradictions (iv) To expose the participants to latest instrumentation techniques useful in examination of physical evidence (v) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 24 Officers of level of Higher Judicial Service Officers, Dy. SP/ACP & above, Prosecution Officials, Defence Personnel, SSO and above from CFSL/FSL, Medical Jurist. Shri P. Sharma, Sr. Scientific Assistant (Toxicology) directed the course.

13. Course on Expert Testimony in Criminal Trial was held from 06 July 2015 to 10 July 2015 with the objectives; (i) To discuss issues in credibility of expert testimony in different disciplines of Forensic Science and Forensic Medicine. (ii) To discuss the grounds on which expert evidence is based. (iii) To enlighten the participants about the limitations of expert opinion. (iv) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 26 Officer of level of Judges / Magistrates, Dy. SP/ACP and Above, Prosecution Officials, SSO and above from CFSLs / FSLs. Dr J K Modi, Senior Faculty (Ballistics) directed the course.

14. Course on Management of Antisocial & Criminal Behaviour was held from 15 July 2015 to 17 July 2015 with the objectives; (i) To apprise the participants with the dynamics of undesirable as well as anti-social and criminal behaviour (ii) To acquaint them with different ways and means which can be helpful to change undesirable and criminal behaviour (iii) To make them aware of different approaches to deal with deviant and criminal behaviour. (iv) To evolve from collective experience of participants such

specific suggestions and action points for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 27 Officers of level of Judges/Magistrates, Dy. SP/ACP & above, Prosecution Officials, Government Medical Officers, Defence Officers and SSO & above from CFSLs/FSLs. Dr. B.N. Chatteraj, Senior Faculty (Criminology) directed the course.

15. Course on Explosives and Explosion Investigation was held from 15 July 2015 to 17 July 2015 with the objectives; (i) To enable the participants to identify and collect evidence material from the crime scene. (ii) To familiarize the participants with various types of improvised explosive devices and explosive substances used. (iii) To expose the participants to latest instrumental techniques useful in analysis of explosives. (iv) To acquaint the participants with the equipment used for detection of explosives substances and devices including land mines bombs. (v) To expose the participants to evidentiary requirements for successful prosecution. (vi) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 26 Officer of level of Dy. SP/ACP & above, Prosecution Officials and SSO & above from CFSLs/FSLs. Dr. AC Rajvanshi, Senior Faculty (Chemistry) directed the course.

16. Course on Investigation of Road Accidents was held from 27 July 2015 to 28 July 2015 with the objectives; (i) To sensitise the participants about importance of trace evidence available in motor accident cases, (ii) To familiarize the participants about need for proper evaluation of injury, if any (iii) To identify various factors leading to contradictions between eyewitness accounts and opinion of Medico-legal experts (iv) To expose the participants to latest techniques available for use in motor accident investigation and trials (v) To evolve from collective experience of participants such specific suggestions and action (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 18 Officers of level of Police, Judiciary, Prosecution, CPO, CFSLs/ FSL including 4 international participants. Dr. S R Singh, Senior Faculty (Physics) directed the course.

17. Course on Document Examination for CJF was held from 29 July 2015 to 31 July 2015 with the objectives; (i) To familiarize the participants about the nature and scope of Forensic Document Examination and to make them 'document conscious'. (ii) To

enlighten the participants about the preliminary techniques and examination of disputed documents. (iii) To appreciate requirement of the expert evidence in the trial Courts. (iv) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 39 Officers of level of Judges / Magistrates, Dy. SP, ACP & Above, Prosecution Officials, Custom Officers SSO and above from CFSLs/FSLs including 5 international participants. Shri J K Semwal, Senior Faculty (Document) directed the course.

18. Certificate Course on Digital Forensic Using Open Source Tools was held from 03 August 2015 to 14 August 2015 with the objectives; (i) To cover all the topics from basic to the advance knowledge of Information Technology so that the participant can use and implement at various situations of Digital Crime investigation (ii) To provide hands on experience of the various techniques and methods adopted in the Investigation of Digital Forensics for the different kind of digital crimes. (iii) To enable the participant to use free open source digital forensic tools in the investigation of Cyber Crimes cases. (iv) To expose the participants with the hands on experience on the handling and analysis of Digital evidence by taking them to the Computer Forensic Lab at CBI Academy. (v) To enable the participants appreciate, evaluate and interpret the case laws with reference to the IT Act. It was attended by 26 Officers of level of Judges/Magistrates, Dy. SP/ACP & Above, Prosecution Officers and SSO & above from CFSLs/FSLs. Sh. Deepak Raj Rao, Assistant Professor (Computer Forensic) directed the course.

19. Course on Smart Policing was held from 17 August 2015 to 18 August 2015. It was attended by 20 Officers of level Dy. SP/ACP and above. Dr P S Bhushan, Senior Faculty (Law Enforcement) directed the course.

20. Advancing Justice through DNA Technology was held from 19 August 2015 to 21 August 2015 with the objectives; (i) To familiarize the participants about the significance of Forensic DNA testing in civil and criminal cases. (ii) To update the participants regarding the latest advances in Forensic DNA Testing. (iii) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 35 Officer of level of Judges/Magistrates, Dy. SP/ACP and

above, Prosecution Officials, Defence Personnel, SSO and above from CFSLs/FSLs. Dr. K. P. S. Kushwaha, Senior (Biology) directed the Course.

21. Course on Human Rights was held from 26 August 2015 to 28 August 2015 with the objectives; (i) To acquaint the participants with the U N Conventions, the Constitution of India & other provisions and institutions relating to Human Rights. (ii) To instil a spirit of humanism for all human beings (including suspects , accused and convicts) in the minds of the participants. (iii) To evolve through consultative participation strategies and measures for reduction of Human Rights violations in India (iv) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 37 Officers of level of Higher Judicial Service Officers, SP / DCP and above, Prosecution Officials, Prisons / Correctional / Welfare Administrators & Officers of State Human Rights Commissions. Ms. Minakshi Sinha, Reader (Sociology) directed the course.

22. Course on Forensic Science and Forensic Medicine was held from 31 August 2015 to 04 September 2015 with the objectives; (i) To familiarize the participants about the scope of applicability of Forensic Science and forensic medicine in Criminal Justice System. (ii) To update the participants regarding the latest advances in Forensic Science and Forensic Medicine. (iii) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 32 Officers of level of Judges/Magistrates, Dy. SP/ACP & above, Prosecution Officials, Government Medical Officers, Defence Officers and SSO & above from CFSLs/FSLs. Dr. K. P. S. Kushwaha, Senior Faculty (Biology) directed the course.

23. Course on Drug Law Enforcement & Forensic Science was held from 09 September 2015 to 11 September 2015 with the objectives; (i) To provide exposure to the participants about the role of Forensic Science in drug law enforcement. (ii) To enhance their knowledge about the use of forensic evidence in drug law enforcement. (iii) To help them to identify their role in a multi-dimensional drug control strategy. (iv) To familiarize them with the procedures of sampling, packing and forwarding of drugs recovered from the suspect persons or places, and with the Laboratory procedures in the analysis of these

samples. (v) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 36 Officers of level of Spl. Judges, Public Prosecutors (NDPS), Officers on CAPF/Assam Rifles, Dy. SP/ACP & above, Defence Officers & SSO & above from CFSLs/FSLs. Dr. AC Rajvanshi, Senior Faculty (Chemistry) directed the course.

24. Course on Scientific Techniques in Forensic Investigation was held from 14 September 2015 to 18 September 2015 with the objectives; (i) To make the participants aware of the importance of physical evidence (ii) To familiarize the participants with the present stage of scientific knowledge as applied to investigation & trial of criminal cases. (iii) To expose them to latest developments in Forensic Science and their status in courts. (iv) To provide perspective for objective evaluation of expert evidence. (v) To evolve from collective experience of participants such specific suggestions and action points for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 24 Officers of level of Higher Judicial Service Officers, SP/DCP & above, Prosecution Officials, Defence Personnel including 4 international participants. Dr J K Modi, Senior Faculty (Ballistics) directed the course.

25. Seminar on Crime against Senior Citizens was held from 21 September 2015 to 23 September 2015 with the objectives; (i) To analyse vulnerability of senior citizens to crime in the context of social change and development. (ii) To discuss on various legal provisions particularly Maintenance and Welfare of Parents and Senior Citizens Act, 2007 and the issues involved in their proper implementation. (iii) To analyse the role of officials of the Criminal Justice System in protecting senior citizens and for the prevention and control of crime against them. (iv) To provide a forum for interaction amongst the Officers of Criminal Justice System and Experts and NGOs working in the field. (v) To evolve from collective experience of participants such specific suggestions and action points for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 27 Officers of level of Judges/Magistrates, SP/DCP & above, Prosecution Officials, Defence Personnel, Prison/Correctional/Welfare. Dr. B.N. Chattoraj, Senior Faculty (Criminology) directed the course.

26. Workshop on Quality Control Norms for FSL was held from 28 September 2015 to 30 September 2015 with the objectives; (i) To sensitize participant about quality management dimension of FSLs. (ii) To discuss the existing quality management system of FSLs and improve the level of their performance & strengthen their operation (iii) To familiarize them with the National and International guidelines of accreditation of FSLs (iv) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 16 Officers of level of Forensic Scientists of CFSLs / FSLs. Dr. A.C. Rajvanshi, Senior Faculty (Forensic Science) directed the course.

27. Course on Risk Mitigation through Forensic Document Examination for PSU/Nationalised banks was held from 12 October 2015 to 16 October 2015 with the objectives; (i) To familiarize the participants about the nature and scope of forensic document examination & make them 'document conscious' (ii) To enlightened the participants about the preliminary techniques of examination of disputed documents (iii) To make participants familiar with the techniques of detection of frauds in their respective organization and suggest proactive measures (iv) To appreciate the requirement of expert evidence in the trial courts. (v) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 28 Officers of level of Line Managers / Vigilance Officers of Public Sector Banks/ Undertakings. Shri J K Semwal, Senior Faculty (Document) directed the course.

28. Course on Impact of Forensic Reports on Judicial Decisions in a Criminal Trial was held from 26 October 2015 to 27 October 2015 with the objectives; (i) To sensitize the participants about impact of forensic reports on judicial decisions in a criminal trial. (ii) To familiarize the participants about legal aspects of forensic reports. (iii) To expose the participants to the cases when the forensic reports are the pivotal or misleading. (iv) To evolve action points that can be implemented for appreciation of scientific evidence. It was attended by 26 Officers of level of Judges/Magistrates, Dy. SP/ACP and above Prosecutions Officer, Govt. Medical Officers & Forensic Experts. Dr. S R Singh, Senior Faculty (Physics) directed the course.

29. Course on Forensic Aspects of Fire & Arson Investigation was held from 28 October 2015 to 30 October 2015 with the objectives; (i) To apprise the participants about various types of inflammable materials, explosives and devices used in fire and arson. (ii) To expose the participants to locate, collect, preserve and forward physical evidence to forensic science laboratory. (iii) To acquaint the participants with the latest methods and technique used in the investigation of fire and arson cases. (iv) To enable the participants to appreciate, evaluate and interpret the opinion of the expert (v) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 34 Officers of level of Judges/Magistrates, Dy. SP/ACP & above, Prosecution Officials, SSO & above from CFSLs/FSLs and Fire Officers including 4 international participants. Dr. AC Rajvanshi, Senior Faculty (Chemistry) directed the course.

30. Course on Crime Scene Evidence was held from 02 November 2015 to 06 November 2015 with the objectives; (i) To make the participants aware of possible visible, trace and invisible evidence available at crime scene and their importance in criminal investigation and trial. (ii) To expose participants to various techniques and procedures about location, collection, preservation and forwarding of physical evidence to FSL. (iii) To sensitise participants about techniques available in Forensic Science for assistance in criminal investigation and trials. (iv) To enable the participants appreciate, evaluate and interpret expert opinion. (v) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 35 Officers of level of Judges/Magistrates, Dy SP/ACP & Above, Prosecution Officials, Defence Personnel, SSO & above from CFSLs/FSLs. Dr J K Modi, Senior Faculty (Ballistics) directed the course.

31. Course on Expediting Justice through Research was held from 16 November 2015 to 20 November 2015 with the objectives; (i) To induce a scientific temper in the minds of participants in realizing and examining realities associated with crime and criminal behaviour in socio-psychological contours. (ii) To apprise participants about the relevance and usefulness of social research in expediting the processes of justice. (iii) To

familiarize them with major steps, procedures, methodologies to be followed in pursuing research and explain them research design and different modalities of processing, treatment and analysis of data, and (iv) To expose them to the diverse use and utilities of computer in the processing and analysis of research data. (v) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 31 Officers of level of Higher Judicial Service Officers, SP/DCP and above, Prosecution Officials, Prisons / Correctional / Welfare Administrators. Dr. B.N. Chatteraj, Senior Faculty (Criminology) directed the course.

32. Course on Digital Evidence & Online Social Media was held from 23 November 2015 to 24 November 2015 with the objectives; (i) To sensitize participants to various techniques of handling, collection and preservation of digital evidences. (ii) To acquaint participants with the procedures of packaging and forwarding of digital evidence and maintaining chain- of- custody. (iii) To enlighten the participants about imaging techniques and analysis of digital data. (iv) To enlighten the participants about the knowledge on tools to analyse and gather intelligence from online social services. (v) To enlighten the participants about the knowledge on tools to analyse and gather intelligence from online social services. (vi) To make the participants aware of OSM usages by national and international police/LEAs. It was attended by 14 Officers of level of Judiciary, Prosecution Officials, SP/DSP and above including 4 international participants. Shri J K Semwal, Senior Faculty (Document) directed the course.

33. Workshop on Imaging & Video Technology for CISF was held from 26 November 2015 to 27 November 2015 with the objectives; (i) To familiarize the participants with the functioning of digital, still and video cameras, memory cards, DVRs and digital printers. (ii) To make them understand, how computer and various softwares are used for image processing, morphing, image enhancement, image restoration, image compression, cut and paste techniques, video editing and their analysis. (iii) To make them understand the legal admissibility, reliability and limitations of these techniques. (iv) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 4 Crime Prevention Officers. Dr J K Modi, Senior Faculty (Ballistics) directed the course.

34. Induction Course in Forensic Science was held from 30 November 2015 to 18 December 2015 with the objectives; (i) To provide basic knowledge of various disciplines of forensic science. (ii) To make the participants aware of the importance of physical evidence. (iii) To apprise the participants about handling of various clue material at the scene of crime. (iv) To apprise the participants about the techniques of the laboratory examination. (v) To expose them to the developments in the field of forensic science with a view to utilize science in the investigation of crime and in trials. It was attended by 19 Officers of level of Judicial Officers and Prosecutors. Dr. K. P. S. Kushwaha, Senior Faculty (Biology) directed the course.

35. Seminar on Delay in Criminal Trial was held from 30 November 2015 to 01 December 2015 with the objectives; (i) To identify legal, procedural and other reasons for delay in criminal trial in India. (ii) To analyse the implications of delayed criminal trial on victim and society. (iii) To discuss the problems and constraints resulting in delay in trial. (iv) To evolve by discussion plausible solutions of the problem within existing legal frame work. (v) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 29 Officers of level of Higher Judicial Service Officers, SP / DCP and above, Prosecution Officials, Prisons / Correctional / Administrators including 4 international participants. Ms. Minakshi Sinha, Reader (Sociology) directed the course.

36. Course on Community Policing was held from 07 December 2015 to 08 December 2015. It was attended by 16 Officers of level Dy. SP/ACP and above including 4 international participants. Dr P S Bhushan, Senior Faculty (Law Enforcement) directed the course.

37. Course on Document Examination for CJF was held from 09 December 2015 to 11 December 2015 with the objectives; (i) To familiarize the participants about the nature and scope of Forensic Document Examination and to make them 'document conscious'. (ii) To enlighten the participants about the preliminary techniques and examination of disputed documents. (iii) To appreciate requirement of the expert evidence in the trial Courts. (iv) To evolve from collective experience of participants such specific

suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 37 Officers of level of Judges / Magistrates, Dy. SP, ACP & Above, Prosecution Officials, Custom Officers SSO and above from CFSLs/FSLs including 8 international participants. Shri J K Semwal, Senior Faculty (Document) directed the course.

38. Course on Prevention and Control of Drug Abuse was held from 16 December 2015 to 18 December 2015 with the objectives; (i) To understand the scenario of drug supply in India. (ii) To appraise the participants about the scientific explanation of drug addiction. (iii) To appraise the participants about the role of society, police and NGO's in prevention and control of drug abuse. (iv) To analyze the efficacy of drug control laws and their status of implementation. (v) To provide a platform for the senior level functionaries of Criminal Justice System to exchange their ideas and experience regarding the tackling of problem of drug abuse at national level. It was attended by 34 Officers of level of Judges/ Magistrates, Dy. SP/ ACP & above, Prosecution Officials & Prison/ Correctional/ Welfare Administrators including 8 international participants. Dr. Hunny Matiyani, Assistant Professor (Criminology) directed the course.

39. Workshop on Forensic Evidence of Human Trafficking was held from 21 December 2015 to 23 December 2015 with the objectives; (i) To acquaint the participants regarding various types of human trafficking (ii) To update the participants about the types of forensic evidence materials that may be recovered in such cases and the techniques of their analysis. (iii) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 32 Officers of level of Higher Judicial Service Officers, Judges/Magistrates, DCP and Above, Prosecution Officials, SSO and above from CFSLs/FSLs including 7 international participants. Dr. Tanya Chauhan, Assistant Professor (Biology) directed the course.

40. Workshop on Imaging & Video Technology was held from 28 December 2015 to 30 December 2015 with the objectives; (i) To familiarize the participants with the functioning of digital, still and video cameras, memory cards, DVRs and digital printers. (ii) To make them understand, how computer and various softwares are used for image processing, morphing, image enhancement, image restoration, image compression, cut

and paste techniques, video editing and their analysis. (iii) To make them understand the legal admissibility, reliability and limitations of these techniques. (iv) To evolve from collective experience of participants such specific suggestions and action points (for higher efficiency) which can be implemented with minimal expenditure and without changes in laws. It was attended by 13 Officers of the level Dy. SP/ACP and above, SSO and above from CFSLs/FSLs and Forensic Science Teachers. Dr S R Singh, Senior Faculty (Physics) directed the course.

41. Course in Criminology and Forensic Science was held from 04 January 2016 to 08 January 2016 with the objectives; (i) To enable the participants to analyze and develop a systematic understanding of the crime phenomenon in a changing society and to understand other useful concepts of Criminology. Farewell

Smt. Rina Mitra, IPS joined as Additional Director General at BSF. She served as the Director from 22nd July 2014 to 21st May 2015.

Sh. P. Sharma, Senior Scientific Assistant (Chemistry), retired from his service on 30th September 2015.

Sh. C. Nigam, Senior Scientific Assistant (Ballistics), retired from his service on 31st October 2015.

हिन्दी पखवाड़ा

लोक नायक जयप्रकाश नारायण राष्ट्रिय अपराध शस्त्र एवं विधि विज्ञान संस्थान में राजभाषा इंदी के प्रयोग को बढ़ावा देने के उद्देश्य से संस्थान में सितम्बर, 2014 में हिन्दी पखवाड़े का आयोजन किया गया और इसके दौरान विभिन्न हिन्दी प्रतियोगिताएं आयोजित की गयी।

इस पखवाड़े के दौरान जिन प्रतियोगिताओं का आयोजन किया गया, उनके बारे में संक्षेप में विवरण निम्न है:

हिन्दी टंकण प्रतियोगिता (कर्मचारी)

| क्रम संख्या | नाम एवं पदनाम | पुरस्कार |
|-------------|---------------------------------------|-------------------|
| 1 | श्री सुधीर कुमार, आशुलिपिक | प्रथम |
| 2 | श्रीमती दीपा पांडे, प्रशासनिक अधिकारी | द्वितीय |
| 3 | श्रीमती दर्शना, उच्च श्रेणी लिपिक | तृतीय |
| 4 | श्री जगमाल, एमटीएस | सांत्वना पुरस्कार |

हिन्दी भाषण प्रतियोगिता (कर्मचारी)

| क्रम संख्या | नाम एवं पदनाम | पुरस्कार |
|-------------|---|-------------------|
| 1 | श्री सुभाष शर्मा, एमटीएस | प्रथम |
| 2 | श्री उदय राज सिंह, कनिष्ठ वैज्ञानिक सहायक | द्वितीय |
| 3 | श्री चन्द्र मोहन, अ.श्रे.लि. | तृतीय |
| 4 | श्री सुधीर कुमार, आशुलिपिक | सांत्वना पुरस्कार |

हिन्दी निबंध प्रतियोगिता (कर्मचारी)

| क्रम संख्या | नाम एवं पदनाम | पुरस्कार |
|-------------|---|-------------------|
| 1 | श्री सुधीर कुमार, आशुलिपिक | प्रथम |
| 2 | श्री चन्द्र मोहन, अ.श्रे.लि. | द्वितीय |
| 3 | श्री उदय राज सिंह, कनिष्ठ वैज्ञानिक सहायक | तृतीय |
| 4 | श्री पी.सी. पांडे, एमटीएस | सांत्वना पुरस्कार |
| 5 | श्री फिरोज़ खान, प्रयोगशाला सहायक | सांत्वना पुरस्कार |

हिन्दी टिप्पण एवं आलेखन प्रतियोगिता (कर्मचारी)

| क्रम संख्या | नाम एवं पदनाम | पुरस्कार |
|-------------|---------------------------------------|-------------------|
| 1 | श्रीमती दीपा पांडे, प्रशासनिक अधिकारी | प्रथम |
| 2 | श्री निकुंज कुमार, स.ला.सू.अ. | द्वितीय |
| 3 | श्री सुधीर कुमार, आशुलिपिक | तृतीय |
| 4 | श्री सोनू शर्मा, एमटीएस | तृतीय |
| 5 | श्री वैभव कुमार, हाऊसकीपर | सांत्वना पुरस्कार |

हिन्दी भाषण प्रतियोगिता (विद्यार्थी)

| क्रम संख्या | नाम एवं कक्षा | पुरस्कार |
|-------------|---|----------|
| 1 | श्री चिराग गुलाटी, स्नातकोत्तर (अपराधशास्त्र) द्वितीय समेस्टर | प्रथम |

| | | |
|---|--|----------|
| 2 | श्री विपिन कुमार, स्नातकोत्तर (अपराधशास्त्र) तृतीय समेस्टर | द्वितीय |
| 3 | श्री धनंजय कुमार, स्नातकोत्तर (अपराधशास्त्र) तृतीय समेस्टर | तृतीय |
| 4 | सुश्री खुशबू जैसवाल, स्नातकोत्तर (विधि विज्ञान) तृतीय समेस्टर | सांत्वना |

हिन्दी निबंध प्रतियोगिता (विद्यार्थी)

| क्रम संख्या | नाम एवं कक्षा | पुरस्कार |
|-------------|--|----------|
| 1 | श्री विवेक विजय, स्नातकोत्तर (अपराधशास्त्र) तृतीय समेस्टर | प्रथम |
| 2 | सुश्री खुशबू जैसवाल, स्नातकोत्तर (अपराधशास्त्र) तृतीय समेस्टर | प्रथम |
| 3 | श्री धनंजय कुमार, स्नातकोत्तर (अपराधशास्त्र) तृतीय समेस्टर | द्वितीय |
| 4 | श्री चिराग गुलाटी, स्नातकोत्तर (अपराधशास्त्र) द्वितीय समेस्टर | तृतीय |
